# Support and wellbeing

Both UWA College and UWA will provide you with a fantastic range of student-centred support. When you arrive at UWA College, the Student Services team will help you settle into student life in Perth and remain your first point of contact for a range of non-academic issues.

## ORIENTATION

You'll take part in an orientation program in the week before your studies start to give you the chance to meet other students, help you settle in and give you all the information you need to be successful at UWA College. During Orientation, you'll:

- be shown around the UWA Perth campus
- gain academic insights
- have your questions answered
- attend social events.

"The staff at UWA College are super supportive and made us international students feel at home. During Orientation, the programs were well thought out and the UWA College community were really friendly and cheerful."

**ISABELLE**

UWA FOUNDATION PROGRAM

### UWA College academic liaison

Your academic liaison will be there to help with any academic questions and support your success throughout your studies. They'll help you settle into life at UWA College, monitor your academic progress, and can refer you to additional academic and welfare support if needed.

### University academic support

As a UWA College student, you'll also benefit from UWA's academic support services, including study skills workshops (STUDYSmarter) and extensive online resources and more.

### Wellbeing support

At UWA College, we offer tailored support during your student journey. You'll have access to our dedicated Student Support team, a range of welfare and mental-health practitioners and a 24-hour telephone helpline for out-of-hours emergency support.

### Health and medical

With a medical centre and pharmacy on campus, access to confidential health advice is easy.

### Welcome Desk

Drop by our Welcome Desk anytime. You don't need to make an appointment and there's always someone available to listen and help with whatever issues you may be facing.

### Safety

24/7 on-campus security team and access to a free safety app, SafeZone.

### Under-18 support

We understand that students under 18 need extra care and support. If you're under 18, we've got you covered and have a bespoke U18's team at UWA College who specialise in assisting students to settle into life in Perth.

### Career support

Personalised career advice, industry mentoring, online resources, networking events, workshops and more.

### International Student Lounge

A safe space on campus for all international students at UWA to connect and find support.

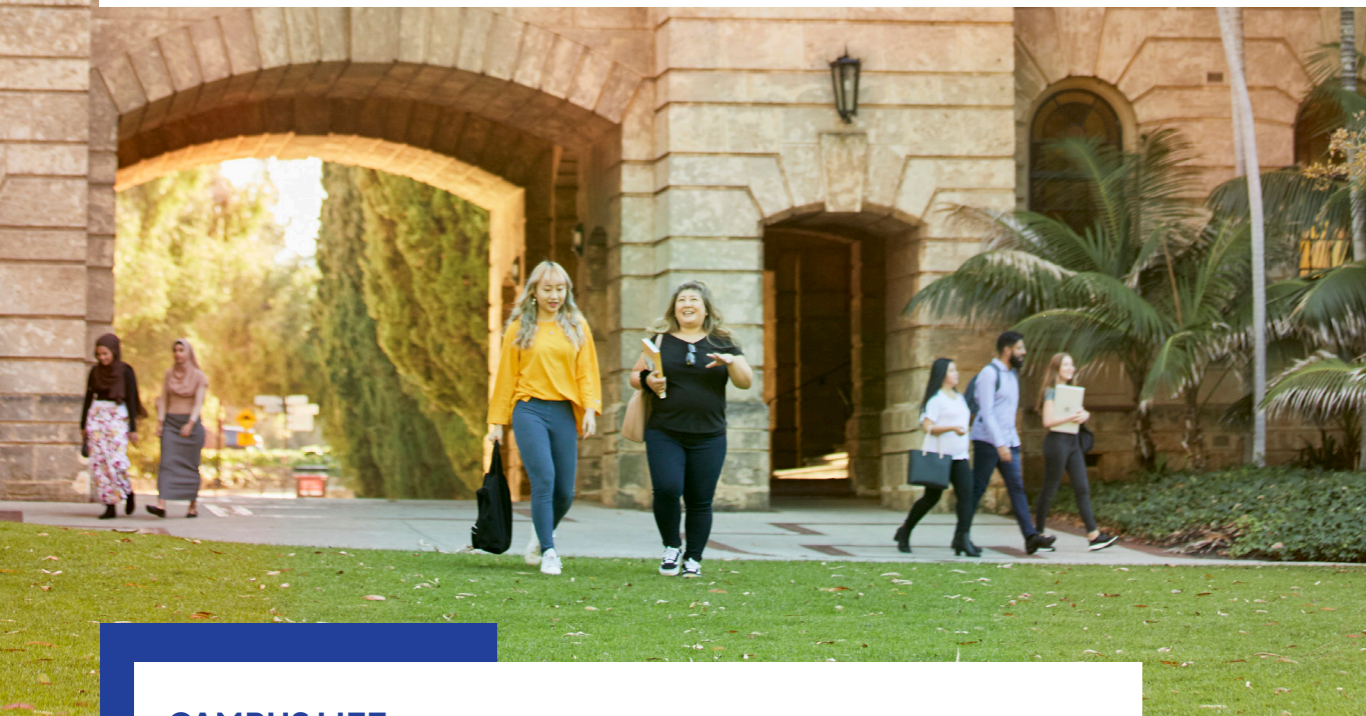

- Road trip wall featuring photos and articles of student road trips in Western Australia.
- Free merchandise such as reusable coffee cups, bags and snacks.
- TV to hook up your laptop to watch Netflix.

# Your vibrant campus

When you're studying on-campus at UWA College, you'll be attending classes in the centre of all the action at UWA's Perth campus. Classes at UWA College are designed to maximise teacher-student interaction, with class sizes kept to a minimum for more personalised support.

You'll get to experience:

- modern classrooms where you'll be taught in university-style seminars and lectures
- science-based classes will be taught in the university's high-tech laboratories
- open, social study areas where you'll learn how to self-study and collaborate
- experienced teachers and academic liaisons who will help monitor your progress.

## CAMPUS LIFE

As a UWA College student, you'll get to immerse yourself in the UWA Perth campus.

With a lively cultural scene, including places to eat, drink and shop, the UWA campus is more than a university – it's like its own vibrant city.

ST GEORGE'S COLLEGE

## UWA ACCOMMODATION OPTIONS

Living on, or close by, the UWA campus will give you the ultimate university experience. You'll be near classes, student facilities, shops and cafés. Whatever you're looking for, we'll help you find the right experience for you. Choose from:

- **Five on-campus residential colleges**, each with their own unique communities.
- **Perth city student accommodation.** These modern apartments are in Northbridge, right in the heart of the city's cultural hub.
- **UWA off-campus living.** If you prefer a more independent lifestyle, or would like to experience a family environment, you can choose to rent privately or stay in homestay.

## On-campus residential colleges

Just a short walk from UWA College, you'll find College Row – a welcoming student community of five residential colleges. Conveniently located opposite UWA's main campus in Perth, you'll only be a few minutes from your classes. And with public transport right on your doorstep, getting to the city, beach and Perth's best shopping and nightlife areas is also quick and easy.

Each of the five residential colleges in College Row also offer:

- a packed calendar of academic support, social and sporting events
- free gym membership, plus access to chill-out zones, music rooms and study spaces
- meal plans, Wi-Fi and all your utilities included.

## Perth city accommodation

Experience urban living in a range of modern apartments – and still easily get to the UWA campus, just a 20-minute bus ride away.

## Homestay

Staying with a local host, you'll get to experience all that Perth has to offer in a supportive and safe home environment. You'll have a private room whilst sharing living spaces and sometimes meals.

## Choosing your course

Prepare for your university degree with our academic and English language courses in a range of subject pathways. Designed in collaboration with UWA, this is what your study journey could look like:

### ACADEMIC COURSES

*“Our programs at UWA College will help set you up for success at UWA and beyond. Our team of highly qualified staff deliver engaging classes and personalised academic support to help you to develop the academic and study skills necessary to pursue your university qualification. With our classes delivered from the heart of the UWA campus, we help you feel at home from the start of your studies with us.”*

**Kate Gresham,**  
Academic Director, UWA College

## English language courses for pathway programs

UWA College English language courses are provided by The Centre for English Language Teaching (CELT) at UWA. If you need to improve your language skills for a pathway program, CELT offers high-quality English language tuition in a supportive and friendly environment.

### How can I improve my English skills?

CELT's Language and Communication Essentials program is designed to improve your English language skills and prepare you for further academic study at UWA College. This language program can be packaged with your chosen UWA College pathway and UWA degree, giving you everything you need under a single study plan and visa – so you won't have to take another language test on completion.

### When can I start?

Language and Communication Essentials is taught in five-week modules throughout the year. This gives you flexibility on when you start, allowing you to finish the course in time to enrol on your academic program.

### What will I learn?

You'll learn English skills through:

- discussing interesting topics and taking part in conversations
- reading and understanding English texts
- writing clearly and accurately
- listening to different varieties of spoken English
- learning how to use correct grammar and vocabulary.

## UWA Foundation Program progression options

The UWA Foundation Program offers students progression to all undergraduate courses at UWA.

On the successful completion of your UWA Foundation Program, you could progress to a range of UWA courses, including:

**Comprehensive degree:** choose one or two majors from a wide range of offerings, then add electives and/or a minor to suit your interests and career goals.

**Specialised degree:** take an extended major with a carefully designed study plan to give you in-depth knowledge of your chosen career.

**Combined Bachelor's degree:** complete two degrees in normally just four years, one comprehensive and one specialised.

Successful UWA Foundation students are also eligible to apply for one of UWA's Assured Pathways. These pathways will increase your career opportunities in professional areas such as medicine, law, architecture and more, guaranteeing your place in the professional postgraduate degree of your choice at the start of your studies (subject to satisfactory performance in your Bachelor's degree). Combining an undergraduate and postgraduate degree, Assured Pathways typically have higher progression grades.

\* For students who have not completed the equivalent of WA Mathematics Applications.
