

## Frequently-Asked Questions (FAQs)

### Q1: What is the requirement for the Study Go China scholarship?

A1: Applicants must show that they have

- completed or are in the final year of high school
- decent high school results, i.e. passing all high school subjects
- Level 4 to 6 in the HSK exam as proof of Mandarin proficiency
- IELTS 5.5 or TOEFL 85 for English-taught programmes

### Q2: Can I apply if I do not have my official or final results?

A2: Yes, you may submit an application using your mock exam results and you may be issued a conditional offer.

### Q3: Is acceptance guaranteed?

A3: Admission of students to universities in China is the discretion of the university. Consideration factors include the student's academic strength, choice of programme and university.

### Q4: What are the intakes and application deadlines?

A4: There is one intake a year in September. Applications close in May.

### Q5: What are the intakes and application deadlines?

A5: There is one intake a year which begins in September. Applications close in May. There are 2 semesters a year that run from Sept to Jan and from Feb to June.
